The *Hollywood* Lighting Style

Great Desert of Altar, Sonora, Mex.

Pinacate Park Reserve, Sonora, Mex.

CDMX, Mex.

GET THE **HOLLYWOOD** STYLE IN ALL YOUR **PRODUCTIONS**

FLUOTEC, the world's leading pure white lighting company makes available their comprehensive LED lighting lineup for producers and creators of content like you.

The **FLUOTEC** rental lineup is a new and innovative scheme, without the need for expensive investments or contracts.

To start using **FLUOTEC**'s multi-award-winning equipment, you only need to choose the most suitable equipment for your needs, make your payment and pick it up in our installations.

The process is fast, safe, and the equipment can be leased or rented from one day up to 3 years

FLUOTEC has developed this new income program to empower producers and rental houses, putting high quality and low lighting equipment in their hands consumption, ideal for all kinds of productions: series, movies, short films, documentaries, and web content.

AS EASY AS 1, 2, 3!

Enter www.fluotec.com for more information.

*Start lighting with the **Hollywood** Lighting Style, saving money and filming with equipment internationally awarded quality!*
